

Academic Pediatric Plastic Surgeon

McMaster University in conjunction with Hamilton Health Sciences and McMaster Children's Hospital is seeking a full-time academic plastic surgeon to be based at McMaster Children's Hospital. McMaster Children's Hospital is one of the largest and fastest-growing children's hospitals in the country and delivers tertiary level pediatric care to a large catchment area. The Division of Plastic Surgery together with McMaster University is a fully accredited Royal College of Physicians and Surgeons of Canada training program in Plastic Surgery with full involvement in undergraduate, post-graduate and continuing medical education programs. The Department of Surgery endorses a Mission statement of six tenets and collectively pursues:

Culture that is inclusive
Research that impacts
Education that inspires
Advancement for all
Transformation through innovation
Excellence in patient care

Please visit the CREATE website www.macsurgerycreates.ca for further information.

Evidence of interpersonal and collaborative skills and initiative to further advance the productivity of the Division, and the mission of the university and the hospital will be required. A commitment and demonstrated interest in surgical education at all levels is essential, as well as active participation in research programs and academic initiatives of the Plastic Surgery Service and Division. A Master's degree will be required, or a commitment to pursue upon hiring. A full-time appointment at the appropriate level in the Department of Surgery, Faculty of Health Sciences, McMaster University is required and will be available to the successful applicant.

The successful candidate must have or be eligible for Certification in Plastic Surgery by the Royal College of Physicians and Surgeons of Canada as well as licensure with the College of Physicians and Surgeons of Ontario. Formal post residency training is required in any of the subspecialty domains of Pediatric Plastic Surgery: hand, cleft, craniofacial, vascular anomalies or others.

All qualified candidates are encouraged to apply, however, Canadian citizens and permanent residents will be considered first for this position. To comply with the Government of Canada's reporting requirements, the University is obliged to gather information about applicants' status as either Permanent Residents of Canada or Canadian citizens. Applicants need not identify their country of origin or current citizenship; however, all applications must include one of the following statements: "Yes, I am a citizen or permanent resident of Canada" or "No, I am not a citizen or permanent resident of Canada.

Applications must include:

- A curriculum vitae
- Description of previous academic experience, as well as specialty training
- Submit a brief statement describing any contributions made or planned in relation to advancing equity, diversity and inclusion or inclusive excellence in teaching, research or service within higher education, community-based or other profession settings (2-page maximum)
- Provide the names and contact information of three professional referees; letters of reference are not required and will not be reviewed at the application stage; the Department will request letters of recommendation from referees at later stages of the search process.

Applications will be accepted until January 5, 2024. Submissions may be made to:
