

## **Plastic Surgeons needed in beautiful Cape Breton, Nova Scotia**

Nova Scotia Health is seeking two full-time plastic surgeons to join the team at the Cape Breton Regional Hospital in Sydney, Cape Breton NS. Cape Breton Island is known for its rich Celtic culture and magnificent natural beauty, heritage, world-famous golf courses, and vibrant port city of Sydney. The airport has direct flights daily to Toronto and Halifax. The region remains young and cosmopolitan as it is the home to Cape Breton University, and host to the new Dalhousie medical campus focused on Rural Family Medicine starting in September 2025. CBRH is the second largest acute care facility in Nova Scotia serving more than 200,000 patients/year.

The service currently manages pathology of the hand, breast, head and neck, facial trauma, skin including melanoma, chronic wounds, minor burns, other. Some aesthetic surgery is possible. An interest in general reconstruction is an asset. OR and ambulatory clinic time is available, as is office space attached to the hospital with administrative support. Affiliation with Dalhousie University and options to participate in research and surgical education at the undergraduate/postgraduate levels is possible.

The successful candidate will be a part of a 2 fulltime physician team in plastic surgery and 6 general surgeons. This permanent opportunity is available immediately and is remunerated via Fee For Service. Site Visit, Relocation, Return of Service, and Rural Specialist incentives available. **Qualifications:** Eligible for licensure with College of Physicians and Surgeons of Nova Scotia [NSGov Plastic Surgeon | SmartRecruiters](#) to apply or send CV, Letter of interest, and list of three (3) references to Recruitment Consultant, Sarah O'Toole [sarah-marie.otoole@nshealth.ca](mailto:sarah-marie.otoole@nshealth.ca)
